At SUNSTUDIOS we care about the safety of your crew and our staff, guests and customers.

Please notify the Studios front desk if you need to use any of the following:

- Studio flats, walls, or surfaces
- Burning materials, sparks or open flame
- Glitter/pigment
- Liquids - including water, paint, oil
- Hazardous chemicals
- Ladder/Rigging
- Gas bottles
- Graffiti wall

ALSO, PLEASE NOTE THE FOLLOWING:

Cyclorama

- Pressure or weight cannot be placed on the curve of the cyclorama.
- This is a dry area that cannot come in contact with any liquids.

Painting

If you require a painted flat, plinth or cyc touch up, please see the front desk to be provided with the necessary tools and drop sheets.

Your Property

Please keep an eye on your property at all times.

Please see our website for a full list of Terms and Conditions.

We pride ourselves on being a premium facility and appreciate your assistance in maintaining this standard. If you cause damage or leave the studio in an excessively dirty condition, costs may be forwarded on.

SUNSTUDIOS

COVID-19

**SUNSTUDIOS COVID-19 PROCEDURES
STUDIO & SHOOTING GUIDELINES**

COVID-19

STUDIO & SHOOTING GUIDELINES

We ask that studio clients keep a ledger of all shoot participants to assist with contact tracing should that be required.

We request a copy of your call sheet (including details of all crew in attendance on shoot day/s). This will be kept on file for 28 days in the event it is required for contact tracing, after which point it will be deleted.

Equipment, backdrops and goods will be placed in studios and disinfected with alcohol-based wipes the night prior to each shoot to keep human contact to a minimum.

Alcohol wipes and hand sanitiser provided in each studio.

Enhanced cleaning procedures for our studios and common areas:
Daily cleans on surfaces, door handles and furniture with hospital grade disinfectant, in addition to a weekly deep clean via an external contractor.

COVID-19

While we are open for studio bookings we must still observe social distancing guidelines. Studio capacity varies based on studio size. Where possible, ensure there is not more than 1 person per 4 square metres of floor space. Our studio team can assist you with the best fit for your booking.

Studio 2 — 260 sqm

Studio 3 — 174 sqm

Studio 4 — 135 sqm

Studio 6 — 150 sqm

Studio 7 — 257 sqm

Studio 2, 3 and 7

Have direct car park access, allowing private, contactless access if preferred.

Studio 4 and Studio 6

Are currently permitted for shoots with crews of 6 or less only.

Studio 2, 3 and 7

Can accommodate small to large shoots.

COVID-19

EQUIPMENT HIRE

All incoming and outgoing equipment is carefully disinfected with hospital grade cleaner including bag handles and zippers.

Our equipment delivery service is operational with drivers provided with PPE (Gloves, alcohol wipes and hand sanitiser).

Rental vehicles are regularly cleaned with hospital grade disinfectant.

SANITISATION STATIONS

These are set up at the main entrance and all common areas. Their continued usage is highly encouraged.

COVID-19

COFFEE AND CATERING

Our Sydney in-house catering service Cooked For You By Nat is supplying covered, individual, takeaway portions for her catering service and is happy to work with clients to meet their specific needs.

Takeaway coffee services are open in Sydney and Melbourne.

Please use our eftpos facilities as we are unable to accept cash.

WHAT YOU CAN DO TO HELP

Please continue to be vigilant with hygiene practices and be especially mindful of other clients and employees during this time.

Please refrain from coming in if you are unwell or have been in contact with someone who has tested positive for COVID-19.

While working at SUNSTUDIOS please be mindful of social distancing at all times and use floor stickers as a guide.

We are reviewing our approach daily to ensure it is as effective as possible. We will keep you updated with any additional changes as the situation continues to evolve.

For more information consult the COVID-19 Resource kit.
